

Red Jackson

ROOTS ROCKING RHYTHM & BLUES

“There's nothing anyone can tell these good-time boys about the history of the blues. Their eponymous debut long player pays unashamed tribute to Slim Harpo, Willie Dixon, Bo Diddley, Little Walter, John Lee Hooker and Junior Parker.

So, all aboard the mystery train for a whistlestop tour that starts in the Mississippi Delta, calls in for refreshments at Baton Rouge, Tupelo, Memphis, Nashville and St. Louis before steaming to a halt in the fleshpots of Chicago – they're rough & ready but these boys rock steady.”

– **The Itchen Delta Express**

Red Jackson are:

Phil Mills – vocals, guitars, harmonicas

Chicken-King Schultz – drums

Teej Osborne – upright bass

We are three long-time professional musicians, and since we formed in 2005 we've played regularly around the South of England, taking our show to bars, clubs, restaurants, festivals, functions and parties.

We also provide a full street performance all year round and in 2006 played the main stage at Hat Fair (the UK's leading festival of street arts).

Other festivals and events have included: Chichester Festivities, Winchester Water Festival, Reading Water Festival, Eastbourne Magnificent Motors vintage car show, Eastbourne Beer Festival, the Beer Rhythm 'n' Blues Festival, and in 2008 we were invited to play at Chateau de Lartigolle, near Toulouse – listed in Harpers and Queen as one of the top 100 places in the world.

In 2006 we released our first album, Red Jackson, and the second, entitled Walking After Midnight, is now available from us, at gigs, street performances, and from our website via paypal.

Our Clients Say...

PRIVATE BOOKINGS

“I just wanted to say a huge thank you for the excellent sets that Red Jackson played at our wedding. Everybody thought you were brilliant, and as far as Russ and I are concerned you guys absolutely made the day! I'll definitely be checking your website to see when/ where you'll next be playing that we can get to. In the meantime thank you again, and happy playing!

Cheers, Corinne.”

“It's something when you are up staged at your own wedding by the band !! You guys were just sensational and if you could have been a fly on the wall at breakfast you would have been hearing sentiments very similar to that from EVERYBODY. You have a new fan club.

Thank you so much for making our day so extra special.

Much love Lyn & Richard”

FESTIVALS, PUBLIC EVENTS

“Red Jackson are indeed a band that can fuse Chicago blues with mellow grooves. Their excellent musicianship goes hand in hand with the rapport that they built with the audience.”
